LETTER OF REFERENCE FROM ADVISER

Applicant for whom reference is provided: _____

Name, Title and Department of Referee: _____

Signature _____

Guidelines for Referee:

The applicant listed above is applying for a Wayne State University Humanities Center Doctoral Dissertation Fellowship through the Humanities Center. The Center would appreciate receiving from you an assessment of the applicant and his/her doctoral dissertation project. Please focus on the following criteria in your letter, adding any other comments about the applicant and the dissertation project you consider being helpful to the Humanities Center in carrying out its review.

1. The significance of the dissertation topic to thought and knowledge in the applicant's discipline in the humanities and in the humanities generally
2. The cogency of the project proposal
3. The extent of research and other work already completed on the dissertation and the likelihood that the applicant will complete the writing of the dissertation within the tenure of the Humanities Center Doctoral Dissertation Fellowship
4. The quality and breadth of the applicant's preparation in the major discipline and in the humanities generally
5. The quality of the applicant's scholarship and potential as a teacher or interpreter of the humanities

Please forward directly Jaime Goodrich: goodrja@wayne.edu
